

Living Well North Tyneside

Supporting Health and Wellbeing

Living Well North Tyneside provides diverse, easily accessible health and wellbeing information to the residents of the borough. It hosts a range of services, events and activities, provided by **local health, social care and community organisations**.

Who is behind Living Well North Tyneside?

The Living Well North Tyneside partnership brings together a range of cross-sector organisations in North Tyneside.

The partnership includes:

- North Tyneside VODA,
- North Tyneside Council,
- NHS North East and North Cumbria Integrated Care Board,
- The four Primary Care Networks (PCNs) of local GP practices in North Tyneside,
- TyneHealth GP Federation,
- Healthwatch North Tyneside.

Disclaimer

Living Well North Tyneside aims to provide a helpful resource for everyone seeking health and wellbeing services and activities in the area. While we do our best to ensure the accuracy of the information provided, it's important to note that we do not own or manage any of the services listed on our platform.

If you are interested in any of the services or activities, you can contact the relevant organisation, using its details on the same page where the service or activity is placed.

Each organisation listed in our directory is responsible for keeping its information current. Therefore, we recommend that users verify the details of any service, group, or activity before attending.

Please note that while we strive to support the wellbeing of our community through this platform, we cannot assure the quality of any listed service or activity. Attending any service or activity is a personal choice and responsibility.
