

Living Well North Tyneside

Supporting Health and Wellbeing

Time: 5.30pm - 7.30pm

Cost: No Cost

Type: Face to Face

Curious about the latest medical research happening right here in the North East? Join us on **Monday 30th June** for an evening of fascinating talks hosted by the NIHR Newcastle Biomedical Research Centre's [Skin, Oral, and Immunogenomics research theme](#).

We'll explore:

Skin Conditions – Why do some skin tumours grow?

Mouth Microbiome – What affects Candida and our oral health?

Pain and the Brain – A clinical psychologist's take on how we experience pain.

This free event takes place at **Spanish City in Whitley Bay**, from **5:30 to 7:30pm**. It's a great chance to hear from local experts and ask questions in a relaxed setting. Buffet and refreshments also provided!

Places are limited, so please book your place here: www.tinyurl.com/BRCseaside
