Who Are We And What Are Our Values?

From the North West North Tyneside PCN Team

We are committed to quality care and health improvement in the community.

Working in partnership with the community we serve, we aim to transform Primary Care in a sustainable way that positively impacts on the health and wellbeing of the local population.

Our Vision

To Create Healthier Communities

Our Mission Statement

We are committed to our vision of “Creating Healthier Communities”. It is our mission to transform Primary Care delivery in a sustainable way by a commitment to excellence in everything we do and by working in partnership with our patients and communities to make a positive impact on their health and wellbeing.

Our Values

Our values underpin all our work and reflect:

- Working in collaboration and partnership
- Seeing continuous improvement
- Valuing people
- Professionalism in all we do
- Communicating at all levels
- Building positive relationships

Our network in North West North Tyneside has developed very quickly and we now have additional resources in place to work alongside our member GP Practices. Our Primary Care Network holds contracts to deliver the Local COVID Vaccination Service as well as GP Surgery Extended Hours and other Services listed on our webpage.
