

Living Well North Tyneside

Supporting Health and Wellbeing

The North East and North Cumbria Integrated Care System (ICS) is a partnership of organisations including local councils, voluntary and community services that provide health and care across our region.

Led by the NHS Integrated Care Board (ICB) we are working collectively, joining up resources and expertise to provide the best health and care for our local communities.

An Integrated Care Partnership (ICP) is a committee of the ICB and the 14 local authorities from across the North East and North Cumbria.
