Supporting Health and Wellbeing

Forest Hall Young Peoples Club

Forest Hall YPC is a charitable incorporated organisation. We aim to provide and promote inclusive activities for all ages and abilities and quality services that will contribute to the physical, emotional and social wellbeing of the community. Our Pavilion is an inviting place to socialise, meet new people, learn new skills and improve your health and well being. We are home to Forest Hall Juniors Football Club, West Allotment Celtic FC and Forest Hall Boxing club. Various other fitness and well being groups use our facilities such as Newcastle United Foundation, Women's Walking football, 12th man programme, a men's health/wellbeing group, Pilates classes and Clubberscise. We have a weekly craft club where members knit and craft for various other charities. Our weekly games club enjoy carpet bowls as one of their activities and we will soon be forming a gardening club to help create a community garden here at the Pavilion. Our modern facility boasts 5 grass pitches and a 3G pitch and we have a sports hall, meeting room, bar and kitchen which are all available to hire at reasonable rates.
