

# Living Well North Tyneside

Supporting Health and Wellbeing

Established in 2006, the Blue Door Project is a social care organisation supporting adults with learning disabilities, based in Wallsend. We aim to make the lives of people with learning disabilities and their families better.

We provide a fun, educational and stimulating timetable of daily activities including:

Computer Skills

Home Baking

Art and Craft

Community Outings

Music

Drama

Sports Activities

Games and Quizzes

Additionally, we engage closely with our local community for special events, training and workshops.

We provide a complimentary transport service which provides door-to-door transportation, with Service Users attending from North Tyneside, Newcastle and Northumberland.

We are open Monday to Friday every week, closing only on bank holidays and at Christmas.
