

Living Well North Tyneside

Supporting Health and Wellbeing

Cover the following specialisms:

- Learning disabilities
- Mental health conditions
- Physical disabilities
- Sensory impairments
- Caring for adults under 65
- Caring for adults over 65

We currently have availability to support new packages and are already familiar with the standards and expectations required to deliver safe, person-centred, and continuous care. Our model is not a temporary staffing solution — we remain involved throughout the individual's care journey to provide consistency and quality.
