Supporting Health and Wellbeing

Award-winning inclusive theatre charity, Embracing Arts, invites you to enjoy PHOEBE'S GREEN CHRISTMAS, a FREE sensory digital show!

www.christmasforkids.org.uk

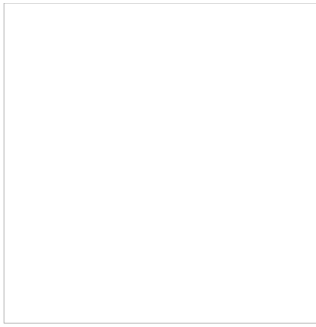

'Phoebe's Green Christmas' is a magazine-style children's series delivered in eight episodes.

Phoebe the puppet has been thinking about her footprint - and not just the one she leaves in the snow! Inspired to do her bit for the planet, she Reduces, Re-uses and Recycles in as many magically inventive ways as possible. From making special gifts, to putting a new spin on classic traditions, we join Phoebe as she tries to give her friends the best (and kindest) Christmas ever!

Accompanying this FREE Digital Production is a Facilitators' Guide, made in collaboration with organisations across the SEND network to bring the show to life for sensory learners. Each episode provides meaningful accessible festive entertainment by creating opportunities for memory-making, silliness, engagement, communication and connection.

Registration for the show is open now. The show will be available to watch online from 3rd November 2025 until 9th January 2026.
