## Get Power of Attorney

**Get Power of Attorney** is a company specialising in preparing Lasting Powers of Attorney for the general public.

**Terrie Pridie**, the founder of Get Power of Attorney, is a former solicitor with 20 years of experience in the legal world.

More and more people now realise the importance of having all their affairs in order, for complete peace of mind. People of all ages are recommended to have a Lasting Power of Attorney in place.

Our goal is to provide both a superior customer experience and value for our customers. Get Power of Attorney is not subject to the same overheads as a law firm, you receive the same level of service and benefit from years of professional experience, but at a fraction of the cost.

There are two types of Lasting Powers, one for your finances and one for your health and welfare.

**Please see our Services for more information**

*We can also prepare Simple Wills for a small charge.*
