Everlasting Care Ltd Domiciliary Care Agency

Welcome to Everlasting Care Everlasting Care Ltd Domiciliary Care Agency is a private Domiciliary Care Agency providing a comprehensive range of personal and practical care services for all people, those with a learning and/or physical disability, and people who need assistance due to illness or general old age to enable them to continue living in the community, in accordance with their own lifestyle, and with independence, safety, and respect. Services are also available for carers to enable them to have a break from their caring responsibilities. Everlasting Care Ltd services are available 24 hours per day 365 days a year. Everlasting Care key objective is to enhance the quality of life and relieve the stresses experienced by service users who have care needs as a result of a disability, illness, or age, and/or to enable carers to have a break from their caring responsibilities by offering a personal care service through the provision of trained community care workers.

Everlasting Care Ltd is based in North Shields our office is open from 9.00am- 17.00pm Monday to Friday we also have an out of office hours service ensuring advise and support is available to all who use our service.
