Supporting Health and Wellbeing

encourage children to learn and socialise through play. All of our support is inclusive and tailored to individual needs.

Our current support includes:

- Sensory play sessions
- Weekly stay and play sessions
- Water confidence in a hydro pool
- Supported trips for the whole family
- Support at meetings with health and care professionals
- 1:1 home visits
- Hospital supports and visits
- Support to attend community paediatrician clinics
- Transition support into mainstream nursery and childcare settings
- Peer support
