

Living Well North Tyneside

Supporting Health and Wellbeing

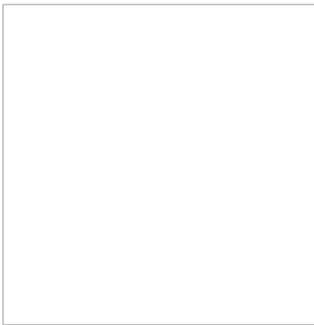

management services for vulnerable adults across the UK. Working with hundreds of solicitors, local authorities, care providers and families, we support over 6500 clients to manage their finances safely, independently and with dignity.

Our Services

- **Appointeeship** - Managing DWP welfare benefits and everyday financial affairs on behalf of clients.
- **Deputyship** - Low-asset deputyship services authorised by the Court of Protection for those unable to manage their own finances.
- **Everyday Money Management** - Paying rent, utilities and care bills, and handling general household expenses.
- **Banking Services** - Opening and managing FSCS-protected accounts via our Monika platform (powered by Zempler Bank).
- **Direct Payments** - Supporting individuals, families and social workers in managing personal care budgets securely.
- **Financial Safeguarding** - Monitoring spending, identifying risks and ensuring transparency for families and professionals.
- **Payment Wearables** - Offering secure and inclusive ways to pay, from **Carer Cards** to **Biometric Payment Cards** and **RingPay** payment rings and bracelets.
