

# Living Well North Tyneside

Supporting Health and Wellbeing

There is a doctor's surgery in Wallsend which is within walking distance. Other local amenities include a cinema, a library and a community centre.

We understand that sometimes you like to be alone and at other times you may want to be more sociable. Our properties give you that freedom. At Iona Court we run social activities including coffee mornings, fish and chip suppers, party nights, bingo and day trips.

You will not need to worry about maintenance and repairs or gardening upkeep as we take care of those. We provide a wide range of facilities, including a communal lounge, a guest room, a garden with seating area, an on-site laundry and 12 parking spaces.
