Referral Service for Health & Social Care

Gateway Contact Centre is the first point of contact for people to make referrals for Occupational Therapy Services, Social Care Assessments and Social Work interventions.

If you have a concern about the well being or safety of a vulnerable adult or child we can also refer for safeguarding concerns.

We are open Monday - Thursday 8:30 - 17:00 and Fridays 8:30 - 16:30.

Please note our phonelines will be closed for staff development last Wednesday of the month 12:00 - 13:00

We are closed Bank and Public holidays.

If your referral is urgent, and you cannot wait for us to re-open, then please contact our Emergency Duty Team on 0191 200 6800

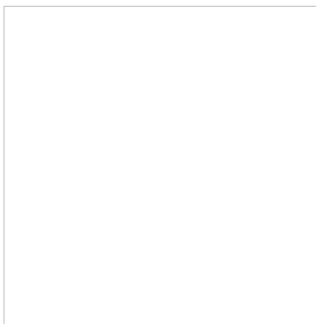

Our number is a local call rate number.
