

Living Well
North Tyneside
Supporting Health and Wellbeing

needs to enjoy the comfort of their own homes for as long as they need to – just some of the time or all of the time.

Whether it's caring for adults with Alzheimer's or acquired brain injury (ABI), learning disabilities or autism spectrum disorders, or even recovering from a stroke – we care. The home care support we offer can restore family life. Seeing the relaxation and joy this can bring back to families is everything we're passionate about.

Our home care services

We offer a range of care services to help you continue to enjoy the comfort of your own home. The benefits and flexibility of home care are well documented – you feel safer, more relaxed and focussed on coping or recovery in familiar surroundings.

Our range of home care services include:

domiciliary care

personal care

respite care

housekeeping services
