

# Living Well North Tyneside

Supporting Health and Wellbeing

We want to hear about your experiences of health and care in North Tyneside.

Pleased with your NHS or social care service or was there something about your service that could have been better? Let them know through our [Healthwatch Feedback Centre](#).

Using the Healthwatch Feedback Centre you can tell whether you would recommend to others and how you rate the service, for example:

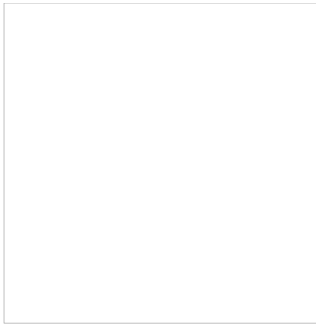

- Quality
- Explaining your treatment or care
- Having a say in your care
- Helpfulness of staff
- Waiting time

It's quick and easy to do - go to our [online feedback centre](#).

Find your service, give your feedback. You don't have to give your name. Your review will appear on our website and can help others make choices.

Your feedback can help service providers and commissioners improve services in North Tyneside and beyond.
