areas we can provide a professional deep clean of both hobs and ovens at a small additional cost. If you use this service ALL cleaning materials are supplied.

We DO NOT clean any exterior elements and we DO NOT work at height inside your home. You will be invited to inspect your home thoroughly following the cleaning and asked to sign a satisfaction form. If you are unavailable at the end of the cleaning, then you will be asked to sign the satisfaction form in advance of the cleaning.

Booking sufficient hours to clean your home is very important, we will make a recommendation, based on our experience as to how many hours you should book. If you book insufficient hours, or ignore our recommendations, it might not work out for you... be warned!! If you book hours that we don't need, you'll not be charged for these. It is better to book more than you need and be SURE the work will be completed, as you will only be charged for the actual hours we work.

If you need us to collect and/or return keys to an agent, then please be aware that the time taken to do this will be DEDUCTED from the allocated cleaning time or, if you prefer the extra time will be added as additional fees.
