

Living Well North Tyneside

Supporting Health and Wellbeing

for older children who attend Rockcliffe First School. We work in close partnership with the school to provide up to 30 hours of funded childcare to eligible children aged three and four and we offer up to 15 hours of funded childcare for eligible children aged two, three and four.

All children will be supported to settle into Rainbow Childcare according to their own individual needs. Parents will be invited to visit Rainbow Childcare with their child before they start so that they can meet the staff and talk about how Rainbow Childcare works. This enables children to become familiar with the nursery before their first day. Staff recognises that each child is different and that some may be anxious about coming to the nursery. We will ensure that all children are given a warm welcome and they will be reassured about the fun element of the nursery.

Staff will help each child to find an activity they enjoy and they will encourage children to make friends to share activities with. Staff will monitor children to make sure they are settling in comfortably. Parents can accompany their child on as many visits as they feel is necessary for their child before leaving them for a short visit alone. We are looking forward to meeting you and your child.
