

Living Well North Tyneside

Supporting Health and Wellbeing

and most of all have fun while the grown-ups work.

Shining Stars have their own outside area which is used daily by all children. A construction area, sand and tyres are all available for the children. The children also have access to planting seeds and flowers on a regular basis and a mud kitchen. Inside, Shining Stars offers a wealth of awe, curiosity, and wonder. Invitations to play with real-life materials combined with natural resources and loose parts allow children to become engaged in their own style of learning.

We work in partnership with the school nursery to provide up to 30 hours per week of funded childcare to eligible three and four year olds and we also offer up to 15 hours per week of funded childcare to eligible two, three and four year olds.

We have a lot to offer your child so please come along and have a visit with us. We would love to meet you and your child.
