STEP 6

Write a meaningful description about your organisation, mentioning briefly the main services, activities and events you provide. You can add any information you think can be useful for the community to know about you.

The screenshot shows a web form for creating a profile for a charity group. The form is divided into several sections:

- Personal Information:** Includes fields for Name, Surname, Email, and Password.
- About your organization, group or service:** Contains a text input field for the organization's name (e.g., "ABC Charity Group") and a rich text editor for a detailed description. The rich text editor has a toolbar with options for Paragraph, Bold, Italic, Underline, Bulleted List, Numbered List, Link, and Unlink.
- Contact details:** Includes a text input field for the main address of the organization.

On the right side of the form, there is a preview area showing a banner image of a boat on water with the text "the whitby bay area, working together for their local community". Below the banner is a vertical yellow bar with the text "First Time Visitor?".
